

Frankfort Human Rights Commission
October 4, 2022, 5:00 p.m.
City Hall

Kristie, Katima, Bruce, Anita, Jason, and Yolanda were all present for the meeting which brings us to having a quorum.

We reviewed the minutes from the meeting previously before and motioned to approve the minutes.

Discussion: Open talk about starting from the ground up and having Kristie review the bylaws and ordinances that pertains to the Frankfort HRC, we also discussed the HRC inquiry form and ways to submit complaints to the state commission.

Getting individual cards made for commission members. Kristie asked that we all submit a picture and a brief bio to her before the next meeting for the Frankfort HRC website launch (in working) and our Facebook page.

Kristie and Katima both attended the Local Commission roundtable meeting on September 29th and was introduced to Brien Shoemaker who does EEOC training. Once the Frankfort commission is officially up and running, discussed possibly setting up a training for Frankfort HRC.

Discussed new election and positions. Elections will be held next meeting (November 1st) but went ahead and discussed possible pivot for new chair (Kristie Powe) vice chair (Katima S.W.) secretary Lisa Gabbard) and treasurer (Bruce Brooks)

With Kristie going over bylaws and ordinances the commission will investigate ways to fundraise as well as turning in the next fiscal year application.

City emails need to be settled, commission needs to speak with city about how to go about getting that fixed and working for HRC launch.

Meeting adjourned: 5:45pm
