### Public Viewing of Plans and Presentation to City Commission

This is to inform you that the project team met on August 13<sup>th</sup> and agreed on a recommended preliminary design. It was our original intent to allow for an adequate amount of time for public viewing of the plans and to present the recommended preliminary design to the Frankfort City Commission at its regularly scheduled meeting on Monday, August 26<sup>th</sup> at 5:00 p.m. in City Hall. However, we were not in a position to get the recommended roadway and streetscape plans ready for public viewing until now, which we believe does not allow an adequate opportunity for public viewing prior to the regularly scheduled August 26<sup>th</sup> City Commission meeting.

Therefore, **the presentation will not be made at the August 26<sup>th</sup> City Commission meeting**, but we expect that a Special Call City Commission meeting will be scheduled in the very near future. The purpose of the Special Call City Commission meeting, when scheduled, will be to provide an opportunity for public comments, present the recommended preliminary roadway and streetscape plans to the City Commission, and address City Commission questions and comments. No action is necessary.

For public viewing, the recommended preliminary roadway and streetscape plans will be posted to the project website today [www.frankfort.ky.gov/TIGER](http://www.frankfort.ky.gov/TIGER). For those interested in viewing a larger version hard copy, you may visit City Hall and come to my office during the following time periods: Friday, August 23 from 11:30 a.m. to 2:00 p.m.; Monday, August 26 from 8:00 a.m. to 10:00 a.m. and 1:00 p.m. to 5:00 p.m.; Tuesday, August 27 from 12:00 noon to 4:00 p.m.; and Wednesday, August 28 from 8:00 a.m. to 11:00 a.m.

We will inform you when a Special Call City Commission meeting has been scheduled. Please contact me by e-mail or phone if you have any questions. Thank you for your interest in this project.
